Leo Jr./Sr. High School Parking/Driving Policy

Parking/driving on school property is a privilege, NOT a right. Parking/driving privileges may be revoked for any given period of time if any of the following rules are violated:

1. Each student driving to school must obtain a parking permit from the main office. *The cost is \$1.00 per school year.* **The window decal parking permit must be displayed in the lower left inside corner of the front driver side windshield.**
2. Upon parking the vehicle, the student will be responsible for aligning the car between the white lines painted in the parking lot. Diagonal parking anywhere in the lot is not acceptable. Students who drive or ride in a motor vehicle to school must leave the car and come into the building immediately after parking the vehicle. No loitering in the parking lots is permitted before or after school.
3. No student is allowed to drive or to return to his/her car during the school day without permission of the administration.
4. **Students are expected to maintain a speed of 10 MPH or below while on school property. Students should follow all posted traffic signs regarding entering and exiting the school property.**
5. Reckless or unsafe driving on school property cannot be tolerated. Bus drivers are and will be expected to report this information to school officials. This includes students en route to school, as well as, en route home after school.
6. According to EACS policy, a student who utilizes school parking privileges gives implied consent for a search of the student's vehicle under the same standards of reasonable suspicion that govern the search of a student's locker. All EACS policies and guidelines are to be followed. Any violation of policy and/or guidelines will result in consequences laid forth by EACS. ***The consequences for violation of these rules will be loss of parking/driving privileges and are listed below. Subsequent violations of these rules will be considered insubordination.***
First Offense: \$5.00 fine
Second Offense: \$10.00 fine and one (1) week suspended privileges
Third Offense: No privileges and/or towing at owner's expense
7. Illegally parked or unregistered student vehicles will be towed at owner's expense.
