Principal's Desk

I would like to welcome Parents, Students and the community to the 2014-2015 school year. Leo Jr. Sr. High School provides a world-class education for students through a wide variety of opportunities. Students take Advanced Placement courses and dual credit opportunities with area Colleges and Universities. In addition to a rigorous curriculum and a strong Faculty, Leo Jr. Sr. High School students continue to achieve some of the most successful academic test scores and graduation rates in the area. Students are offered National Project Lead the Way Courses in Pre-Engineering and Biomedical Sciences. Leo Jr. Sr. High School Career Majors Academy helps students bring relevancy to the classroom through powerful internships, partnerships and mentorships with area businesses. Students develop meaningful future plans through career related courses. Students explore a wide variety of career opportunities and gain invaluable experiences as they prepare for their future.

As we look forward to the new school year with great anticipation, I would like to reflect on the success enjoyed during the 2013-2014 school year. We celebrated National Merit Scholarship winners, Four Star School award, State Championship in softball, Academic Super Bowl Championship in English and ISSMA All-Music Program recognition for our Band. For the second year in a row, Leo Jr. Sr. High School has been honored to place a member of the senior class in the Nation's most prestigious Military institutions, the West Point Military Academy in 2013 and the United States Air Force Academy in 2014. For the second year in a row the school recently received Gold Star Status from the Indiana Department of Education for our School Counseling and Guidance program.

The 2013-2014 school year was a very successful year at Leo Jr. Sr. High School. We expect the 2014-2015 school year to be just as exciting and successful. We look forward to working collaboratively with parents and students to continually improve the education process. I wish all of our students and parents a wonderful and successful school year.

Please remember that cell phones and other electronic devices are not to be used during the instructional day.

Parking / Student Pick-up and Drop Off

The amount of traffic in and out of the school grounds before and after school causes serious safety concerns each year. Please help keep our students safe by observing the following parking lot procedures.

Traffic entering the South lot should turn right and enter lot through any parking lanes except the bus lane directly adjacent to the school (see below).

Traffic entering the North lot should enter by the Tennis Courts and proceed through and across the lot, then exit adjacent to the building.

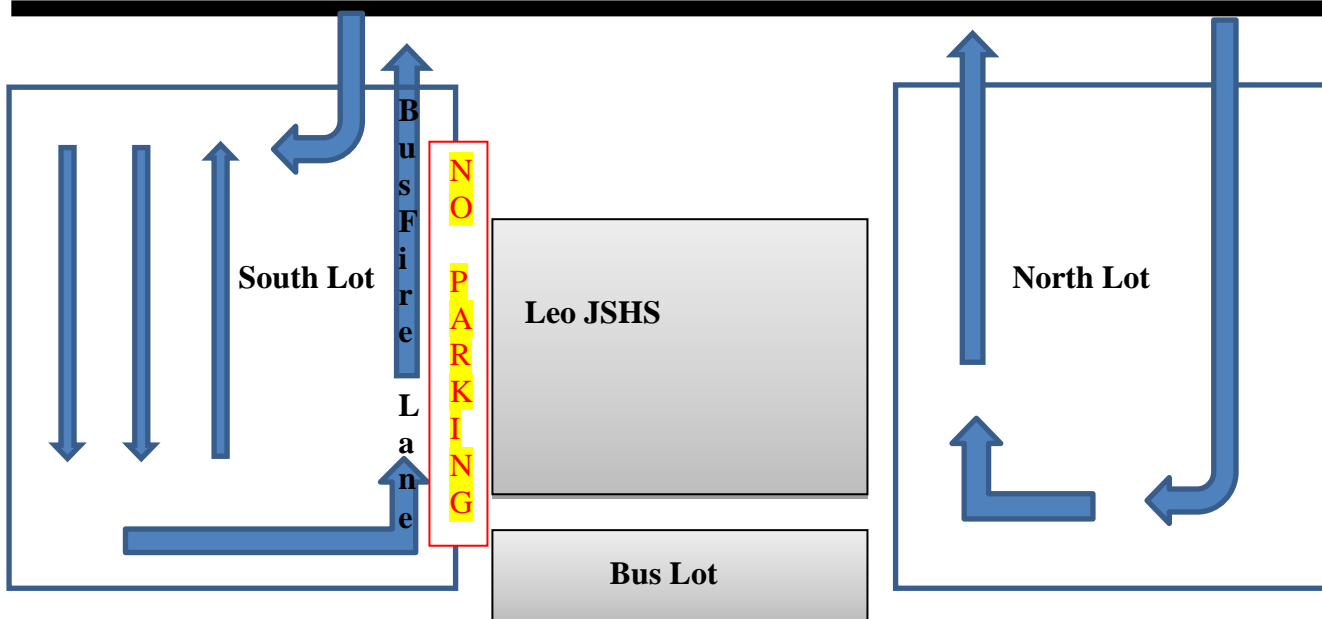

Please note: The East (bus lot) is closed to all traffic BEFORE and AFTER school until buses have exited.

If you are picking a student up after school please use the North lot or take a parking space and exit with the normal flow of traffic in the south lot.

The Bus/Fire lane must be clear of parked vehicles at all times.

Moped riders — please park in the circle drive on the west side of the building. Do not park on the sidewalk, under the covered section of sidewalk, or in the main parking lot.

Moped parking tag fees are \$5.00, Cars tags are \$15.00. Tags are available at registration.

DRESS CODE (See EACS Policies Sec. E2 b - page 15.)

Guidelines for appropriate dress include, but are not limited to, the following:

1. Students will wear footwear at all times.
2. Hats/hoods/bandanas/sunglasses/headgear of any kind should not be worn, or be visible, upon entry into the school and throughout the academic school day. The only head gear that is permitted is head gear that is worn for religious purposes.
3. **Exposed shoulders, backs, cleavage, or midriffs are not allowed at any time. Examples of shirts not to be worn include: muscle shirts, tank tops, tube tops, spaghetti straps, visible undergarments, see-through tops. All tops/shirts must have sleeves that cap the shoulder and be without slits. A good test to use to see if your top is too low cut: Lay the palm of your hand on the center of your upper chest with fingers together so that the index finger is at the base of the collar bone. If the shirt falls below your pinky, it is considered too low cut to wear to school.**
4. **Shorts, skirts and dresses should be appropriate in length. Shorts, skirts and dresses are to be no more than 4" from the center of the knee cap.**
5. Underwear should not be visible. Accordingly, sagging pants exposing clothing or skin are prohibited. No portion of any clothing worn under pants or shorts may be visible at any time, regardless of whether a shirt covers the waist or not.
6. Clothing that is torn excessively or torn in inappropriate locations (including above 4" above the knee) will not be allowed.
7. Accessories that may be detrimental to the learning environment or are a potential safety issue are not permitted, such as spikes on either clothing or jewelry.
